

## CROSS-REFERENCE QUOTATION QUESTION IN JBQ FOR PSALMS

The Bible quiz material for 2013 will be selected Psalms. This material has always been a great year of study for our children, and we look forward to another great year as well. Many of the verses in Psalms are shorter verses, and many quizzers enjoy learning these verses. However, it does provide us with fewer verses to write good Thirty-Point Quotation questions. Because of this, we will have a different type of question **ONLY FOR 2013 AND THE PSALMS MATERIAL**. This question will be a Thirty-Point Cross-Reference Quotation Question. It will be **LIMITED TO QUOTING TWO** consecutive verses in the same chapter of Psalms.

For instance: Quote verses 1 and 2 of Psalms chapter 23. Or, quote Psalms chapter 23 verses 1 and 2.

This is the only type of Cross-Reference Quotation Question that will be written, and it will only be written in 2013 over the Psalms material. **THIS CROSS-REFERENCE QUOTATION TYPE OF QUESTION WILL BE ASKED IN BOTH THE JUNIOR AND BEGINNER DIVISIONS.** This is the only Cross-Reference type of question that will be used in the Beginner Division, and we do not anticipate using any other Cross-Reference questions in the Beginner Division in future years with different material.

If you have any questions concerning this, please contact Brother Bobby Long or Brother Stephen Waddel.
