

BQSUITE LEARN SECTION

Learn better and faster with BQSuite

LEARN SECTION OVERVIEW

The Learn Section of BQSuite has multiple tools to help quizzers memorize verses.

The Learn Section is designed to help quizzers study both verses and chart work.

LEARN NEW VERSE

When studying with the Learn New Verse Tool, click stars to remove parts of the verse until memorized. As each star is clicked, more letters from the verse are removed. By the time the last star is clicked, the quizzer should have repeated the verse enough for memorization. This method is very similar to the 15-method of memorization but is more interactive and engaging. Click the image button in the header to open the Memory Grid for that chapter.

19:10

Psa19:10

M_re to be d_s_r_d a_e t__y t__n g_l_, y__ , t__n m_ch f_ne g_ld:
sw__t_r also th_n h_n_y and the h_n_yc_mb.

Type to Learn

Click the Type to Learn button for an even more interactive experience. In the text field, type the first letter of each word in the verse, followed by the reference. Doing so reinforces the word order for the quizzzer and at the same time helps to associate the reference with the verse.

Psa19:10

M__ t_ b_ d_____ a__ t___ t___ g___, y___, t___ m___ f___ g_ld:
sw__t_r also th_n h_n_y and the h_n_yc_mb.

Turn off Typing

More/ to be desired are they than gold, yea,
than much fine gold: sweeter also than honey
and the honeycomb.

More Information

Learn Verse in BQLearn

When learning a verse, there are audio options available. BQSuite will read the verse aloud to the quizzier, highlighting each word as it is being read. This tool is very helpful for young readers. With the built-in audio player, you can play the song for the verse while you are learning the verse; purchase songs from QuizJams, BQSongs, or any provider that allows downloadable files.

COLOR-CODED VERSE CARDS

Flip through interactive verse cards, either in order or random, over a range or specific set of verses. You also have the option to include Memory Grid images or to show the back of the card first. Your stack of verse cards will be saved so that you can re-study that same stack or pick up where you left off later. You can also mark the card as missed if this is the way you prefer quoting and learning. Additionally, you have access to the More Information button, which provides access to everything we know about a verse and the verse analyzer.

The front of the card displays the reference, verse id, Memory Grid image to trigger recall of the verse beginning, and verse beginning and hint buttons. Clicking VB will display the unique verse beginning of the verse. Clicking Hint will display a hint to trigger recall of the verse, such as a unique word or phrase within the verse.

The back of the card displays the color-coded verse. It is interactive, meaning you can click on a 2x or 3x word to see the references, or for senior quizzers you can click on an underlined pronoun for its identification.

For yet/ a little while, and the wicked shall not
be: yea, thou shalt diligently consider his place,
and it shall not be.

VERSE ANALYZER AND INFO

The Verse Analyzer breaks down a verse into its probable answers to basic question words such as who, what, when, where, why, how long, how many, and what kind of. This tool can be used to give you an idea of what questions could be asked about a given verse. Click on a question category to highlight its answer(s) for that verse.

Question Category

☐ What ☐ Do/Did What ☐ What Kind Of ☒ Where

Highlighted Answers

Psa23:2 He maketh me to lie down **in green pastures**: he leadeth me **beside the still waters**. (69)

All information we know about that verse is also available within the analyzer. A quizzer can add their own notes to the verse if desired. If official Points of Interpretation have been released, those will appear in the notes section as well.

Verse

Psa23:2 He maketh me/ to lie down in green pastures: he leadeth me beside the still waters. (69)

Unique and Repeat Words

lie, pastures, beside

- leadeth Psa23:2 | Psa23:3
- waters Psa23:2 | Psa32:6
- * maketh Psa18:32 | Psa18:33 | Psa23:2
- green Psa23:2 | Psa37:2 | Psa37:35
- still Psa8:2 | Psa23:2 | Psa139:18

Similar Phrases

- still waters - Psa 23:2, great waters - Psa 32:6
- green pastures - Psa 23:2, the green herb - Psa 37:2, a green bay tree - Psa 37:35

REFERENCE BUILDER

Given a unique beginning, build the reference by selecting the chapter, then the verse. Psalms is filled in automatically. You will get credit for your review time, but using Reference Builder does not affect your verse beginning stats.

the sea

Reference: Psalms __:__

Select the Chapter:

the sea

Reference: Psalms 95:___

Select the Verse:

1	2	3	4	5	6	7	8	9	10	11	12	13
14	15	16	17	18	19	20	21	22	23	24	25	26
27	28	29	30	31	32	33	34	35	36	37	38	39
40	41	42	43	44	45	46	47	48	49	50		

the sea

Reference: Psalms 95:5

✓ Correct!

Next

When mistakes are made, the correct answer is briefly displayed and the quizzer must restart the reference from the beginning. Additionally, this verse is put back in the stack so that the quizzer gets extra practice working on this reference.

TIMED PRACTICE TOOL

The Time Practice Tool lets the quizzer practice recalling information from the following categories:

The quizzer can select the range of verses or a specific set of verses, and can adjust the time allowed to answer from between 3 and 30 seconds.

The quizzer should think of the answer to the given prompt, then click the Show button. The correct answer as well as the full verse(s) will display. The quizzer can then self-check whether they missed it or got it. If missed, this prompt will be placed back in the stack for additional practice.

LIST VERSES TOOL

List color-coded verses. Toggle over 2x and 3x words to reveal references. For seniors, identified pronouns are underlined with interactive toggle. Verses can be listed in study order, alphabetical order, and horizontal (all verse 1s, then all verse 2s, and so forth).

Click on the info icon to the right of each verse to open the Verse Analyzer and more information about that verse.

ADVANCED STUDY CARDS

Flip through advanced study cards over typical chartwork, either in order or random. For junior quizzers, practice over question words is provided. For senior quizzers, practice over pronoun identifications is provided.

View Study Cards

Hints are available to help trigger recall. When an advanced study stack is created, it is automatically saved in your Study Stacks so that you can take breaks in your study over this stack of advanced cards.

COVER AND CHECK TOOL

Practice with a scrollable question and answer list. Answers start covered, and you can mark each row right or wrong as you go.

Setup for Cover and Check is the same as with many of the other BQSuite tools. Cover and Check is not timed so quizzers can work at their own pace. Additionally, Cover and Check selections are saved in Study Stacks for continued practice.

WRITE TO MEMORY TOOL

One of the greatest tools for memorization is to write out what you want to memorize. The BQSuite Write to Memory tool lets the user type, use a stylus, or draw by hand a selected or random verse.

The screenshot shows the 'Write to Memory' interface. At the top left, there's a 'Write to Memory' logo and a 'PRACTICE' button. Below it, the range is set to 'Psa3:1 - Psa40:3'. There are two radio buttons: 'FreeForm' (selected) and 'Random'. A text input field shows '1 - Psa3:1' with a dropdown arrow. Below that, it says 'Write from memory: Psa3:1'. There are two radio buttons: 'Type or Stylus' (selected) and 'Draw - Self Check'. At the bottom, a text box contains the verse: 'Lord how are they increased that trouble me. Many there be that rise up against me'.

The quizzier can then check their work either manually or if typed or via stylus the tool will indicate what is missed in the attempt.

The screenshot shows the 'Check Verse' interface. At the top left, there's a 'Check Verse' button. Below it, there's a 'Your Check' section with the text: 'Lord how are they increased that trouble me. Many there be that rise up against me'. The words 'there be' are highlighted in red. Below that, there's a 'Psa3:1' section with the text: 'LORD, how are they increased that trouble me! many are they that rise up against me.' At the bottom, there are two buttons: 'Try This Verse Again' and 'Choose Another Verse'.

STUDY STACKS

Study stacks are automatically created any time a user creates a Verse Cards stack, an Advanced Cards stack, or a Cover and Check is created. For stacks of advanced study cards or cover and check lists, a quizzer can choose whether to study these stacks using individual cards via Advanced Cards, or in list form using Cover and Check.

Study Stacks

SAVED

Your saved Study Stacks are listed below.

Refresh List

Psa3:1-Psa40:3 Oct 14, 11:05am

Study 173 Random, CrossRef

Advanced Cards (5/173)

CoverCheck

Psa3:1-Psa40:3 Oct 14, 8:10am

Study 267 Random Back, Verse Cards

Study (2/267)

Think of Study Stacks just like stacks of paper verse cards, but you can have the same verse in multiple stacks, and you can have stacks over all kinds of chart work. Your current position in the study stack is preserved as well.

MEMORY GRIDS

In the Learn section is a new tool called Memory Grids.

Within a quizzer account, the Memory Grids default to the grids for this quizzer's division as set in the quizzer's profile. It is highly recommended that you print the memory grids by clicking either the Full Page or Half-Page Booklet option.

A Memory Grid helps a quizzer with fast recall of verses and their references. The simple picture triggers recall of the verse, and its position in the grid triggers recall of the reference. If a quizzer memorizes the Memory Grid for a chapter, they will know both the verse beginning and reference for every verse in that chapter.

MEMORY GRID BUILDER

The Memory Grid Builder helps a quizzer memorize the Memory Grid for each chapter. Start practicing by building the grid with text, then practice building the grid without text. With enough practice, memorization of the grid will occur.

Grid Builder - Psalms 23

Drag each picture onto its matching spot in the grid below - or tap a picture, then tap the empty spot where it belongs.

Placed: 2/6 | Mistakes: 0 | Time: 138s

Level

Each empty spot shows its memory grid text - match the picture to the phrase it goes with.

1  The LORD is my shepherd	2  He maketh me	3 He restoreth	4 Yea though I walk	5 Thou preparest a table
6 Surely goodness and mercy shall follow				

Pictures

By learning this “picture of pictures”, the quizzer will be able to easily recall not only the verse beginnings but also the references all the verses in each chapter.
